SUBJECT: NEW ON-LINE TRAINING

On-line training at the Capacity Building Unit's Web page has recently taken on a fresh new look. The Workforce Investment Act (WIA) performance module, entitled "Measure Up!" has been enhanced and is now more user friendly than ever. The "Measure Up!" module includes information about WIA performance measures and why performance is an important issue in workforce development.

On-line training is designed to provide an alternative to classroom training. If you are interested in learning at your own pace by accessing the Internet from your own computer, go to the [Capacity Building Web site](#).

Once you have tried our pilot module, let us know what you think. If you have any questions, please contact Michelle Haakenson at mhaakens@edd.ca.gov, or (916) 654-9815. We look forward to hearing from you.
